Massar Consulting and Technical Services	Palestine	\$ 3,818,835	100%	USAID	USA	1998-1999	N/A
Detailed description of project					Type of services provided		
<p>Massar is currently engaged as a primary subcontractor to Chemonics International on a USAID initiative aimed at strengthening micro-finance institutions in Palestine. Massar has been contracted to provide studies, seminars and research to ensure that micro-finance institutions in the West Bank and Gaza Strip utilize their resources efficiently. In this respect, Massar also designs, develops and delivers training activities in the fields of business planning, marketing and finance and advises on strategic and business planning, including financial projections for micro-finance institutions (MFIs).</p>					<ul style="list-style-type: none"> • Administration and Logistics support • Technical advisory services. • Management support • Financial management
